

THE SOFA CATALOGUE

*"We love furniture
and everything that
goes with it. It's
our passion.
We'd like to share this
with you as your partner,
for the long-term".*

JÜRGEN KLEINEGESSE
Managing Director

Founded: 1 April 1991 • Sales Revenue: 180 Mio Euro • Production area: 100.000 m² • Total workforce (head-quarters and production): approx. 2300 • Export quota: 27% supplying 26 countries • DGM certification of all products • Quality assurance works together with several external testing institutes

You, the customer, are our top priority - a must for a long-term and functioning partnership. We guarantee first class service along with our products - for us this goes without saying. Furthermore, we offer you just that little bit extra as your point of contact for product development and distribution; this is simply a vital part of our DNA. We listen, we can empathise with you and become the partner you're looking for when it comes to creating fantastic products.

definitive - superior - select
Masterful upholstery, deep cushioning, fine lines. Four types of armrest to choose from. Multiple leg options.

DELANO | 2,5AL - UBER

CARTAGENA | LALLONG - 3AR

luxuriously relaxed - absolutely individual
Gratifyingly laid back design. Metal legs in matt
black or polished chrome. Rounded back.

SIXTY | 1,5AL XL - LAR XL

SIXTY | 3ALR - 2,5ALR

SIXTY | RECAMIERE

SIXTY | LONGSEAT

SIXTY | RELAX

classic - lavish - retro-chic

Sensationally plush, mould-to-fit upholstery. Metal feet in matt black or polished chrome. Coordinating cushions.

MELODY | 3ALR - 2,5ALR

MELODY | LOVESEAT

modern - sleek - sophisticated

Clean design, softly upholstered, outstanding comfort. Two leg types available.

LONG BEACH | 3ALR XL - 2,5ALR

stylish - tasteful

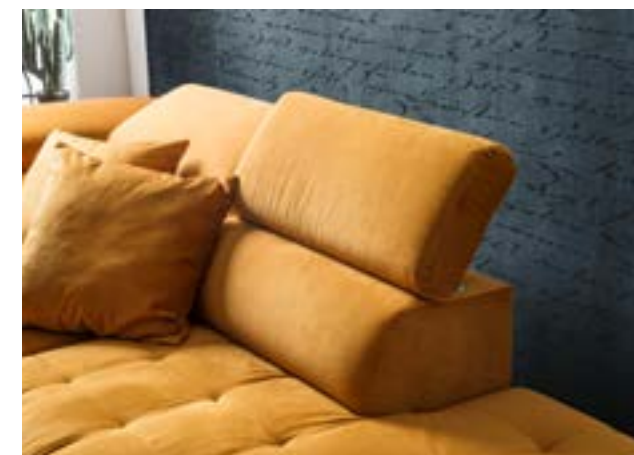

This chic chaise lounge is a perfect spot to read and relax; its reclining position can be adjusted at the touch of a button. In addition, it offers an integrated USB port where you can charge devices like your smartphone or eBook.

ANDRIA | EINZELLIEGE MAXI

understated stitching - aesthetic

Salento impresses with its unpretentious, classic design and practical functions such as headrest adjustment or storage space in selected elements.

casual shape - stylish design

Salinas offers plenty of space to relax and stretch out with its headrest adjustment function and motorised or manual adjustable seats.

HIGH END | 1,5ALRMED 1,5ALMED - 1,5oAMED - LARLONG

HIGH END | 1,5ALMED - ZHMED - KOMBIËCKE (ST1-ST2) - 1,5oAMED - AHMED

premium design - soft and inviting
Indulgently soft, mould-to-fit cushioning for serene relaxation. Available in two seating depths.

opulent - laid-back - cosmopolitan
Urban relaxation, deep revitalizing cushioning.
Multiple leg options. Two seating depths available.

UPTOWN | LALGROSS LONG - 1,5AR(ST2)

timeless design - relax and unwind

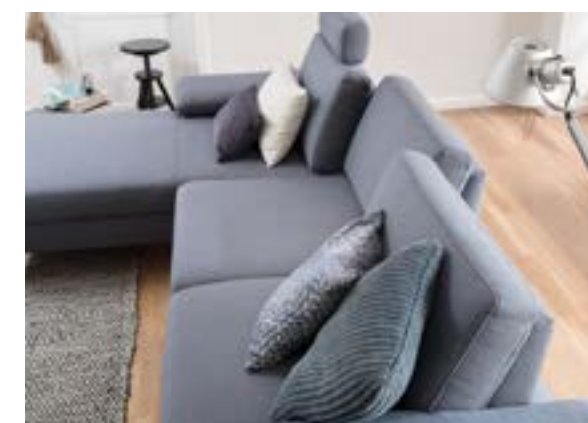

Your relaxation retreat, sublimely comfortable and effortlessly elegant. Ultimately versatile in layout and choice of fabric. Three armrest and multiple leg options. Two different seating heights and two types of stitching.

COAST | LAL - 2oA - UBER

COAST MOVE | 2,5AL - LAR

seductively graceful - versatile style
Multi-purpose design with super soft upholstery.
Accessories and numerous options available.

SUNSET | 180 X 200 CM

casual - informal look

Relaxation at its best. Sunset gets its informal look from its casual piping, with a decorative element sewn between the cushions. The two-tone look combining fabric and leather makes this detail a unique highlight.

minimalist - cubist

Kalmar creates a purist look. Understated stitching relaxes the modern design, which is emphasised by tall legs.

KALMAR | 2,5ALR - 2ALR

UPPER EAST | 1,5AL - 1,5oA - 1,5AR

distinctively metropolitan - strikingly urbane

A design statement for the individualist. Ultra soft, mould-to-fit upholstery with distinctive edging. Colour-coordinated scatter cushions.

INTERMEZZO | 3ALR - 2ALR - 1ALR

INTERMEZZO | 1,5AL - UBERMED

sophisticated moves - innovative chic

Your personal dolce vita - versatile and distinctive. Multiple model adaptations available with and without functional features.

stylishly modern - classically simple
Clean lines and ultrasoft upholstery. Metal runners
in matt black or polished chrome.

RICADI | 3ALmaxi - LAR

Sleek lines - fine design - ultra functional

A winning combination for your living room.

Striking design - functional versatility

Not just pleasing to look at, this suite is a relaxation expert. Its relax function is available in manual, semi-motorized and fully-motorized versions with built in adjustability.

creative - flexible - individual

Individually movable elements and loose back cushions can be combined and re-combined to create an array of new seating arrangements. Leather patches on the corners give the suite an extra touch of charm.

Discreetly luxurious - irresistibly elegant
 Finely mastered upholstery issues a personal invitation to sit down and relax. The metal runners in matt black or polished chrome are a real highlight.

AVOLA | 3AL - LAL

comfortable - refined - practical
Catania offers several clever functions that make the sofa a unique highlight. Fold down the armrest to create a flat reclining surface, and the surface of the ottoman can become a backrest.

CATANIA | OL - 2,5AR

Our time-out specialist

Artfully designed to provide ultimate comfort. An inviting enhancement for any room. Multiple leg options in metal available - matt black or polished chrome.

divine - soft - cosy

Sleep on cloud 9. The padded headboard of the Sixty Bed is quilted, making it almost as soft as your mattress.

SIXTY BED | 180 x 200 cm

modern flair - consummate comfort
A centrepiece for any room, relaxation guaranteed.
Adjustable to suit your lying position.

RIVIERA | MAXI

FARGO | 1,5ALGROSS - 1,5ARGROSS

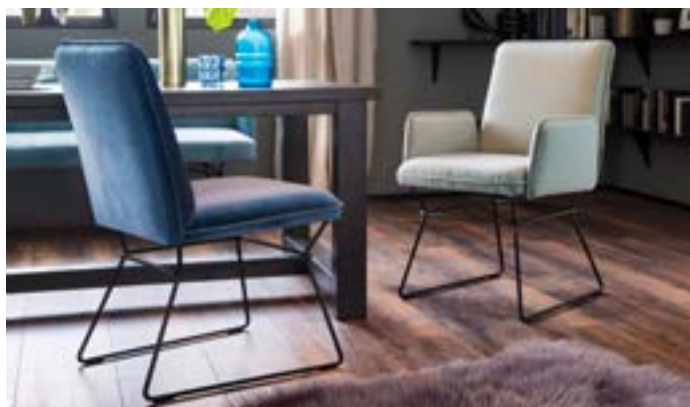

concept: comfort first

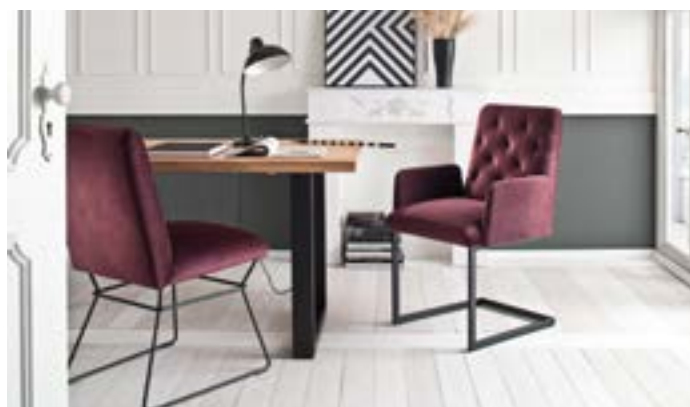

The wall free function allows you to transform this sofa into a slumber zone.
Back and foot rests are individually adjustable to suit.

Singularly stylish

The optically segmented appearance of both Oregon and Wilson is a premium design feature. Wilson complements this look with slender leg options of varying heights. Oregon hugs the floor with its modern, low-slung look and multiple armrest options are available.

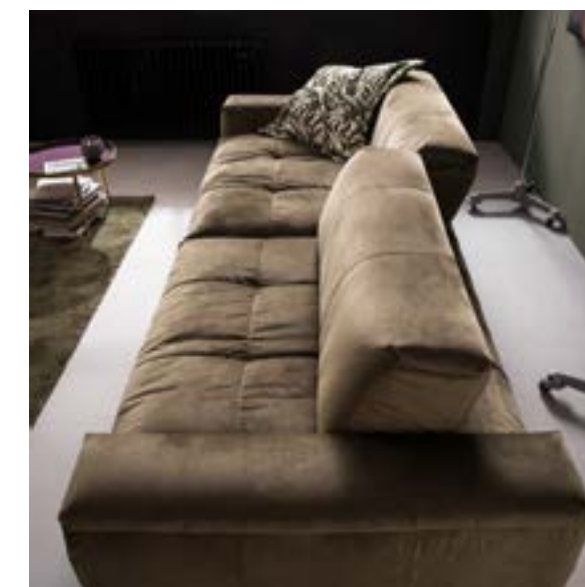

PLACE| 1,5AL - SPE - 1oA - LAR

at home - at ease

Formed to suit your relaxation mood: rounded, softly upholstered and irresistibly inviting. Adjustable back rest to find that perfect position to relax.

PLACE | 1,5AL - 1,5 AR

chic - modern

Different positions, different legs, different armrests, different sizes. Your Kelso is whatever you need it to be.

Impressive design - urban flair
 Ultrasoft upholstery, ideal for a those relaxing evenings at home.

retro-chic - contemporary comfort
 That 70's look is unmistakable. Invitingly plush fabric, supersoft upholstery - a recipe for relaxation. Additional accessories available.

Take it easy - sit a while

Soft cushion upholstery offers you the ideal place to relax and unwind. Additional accessories available.

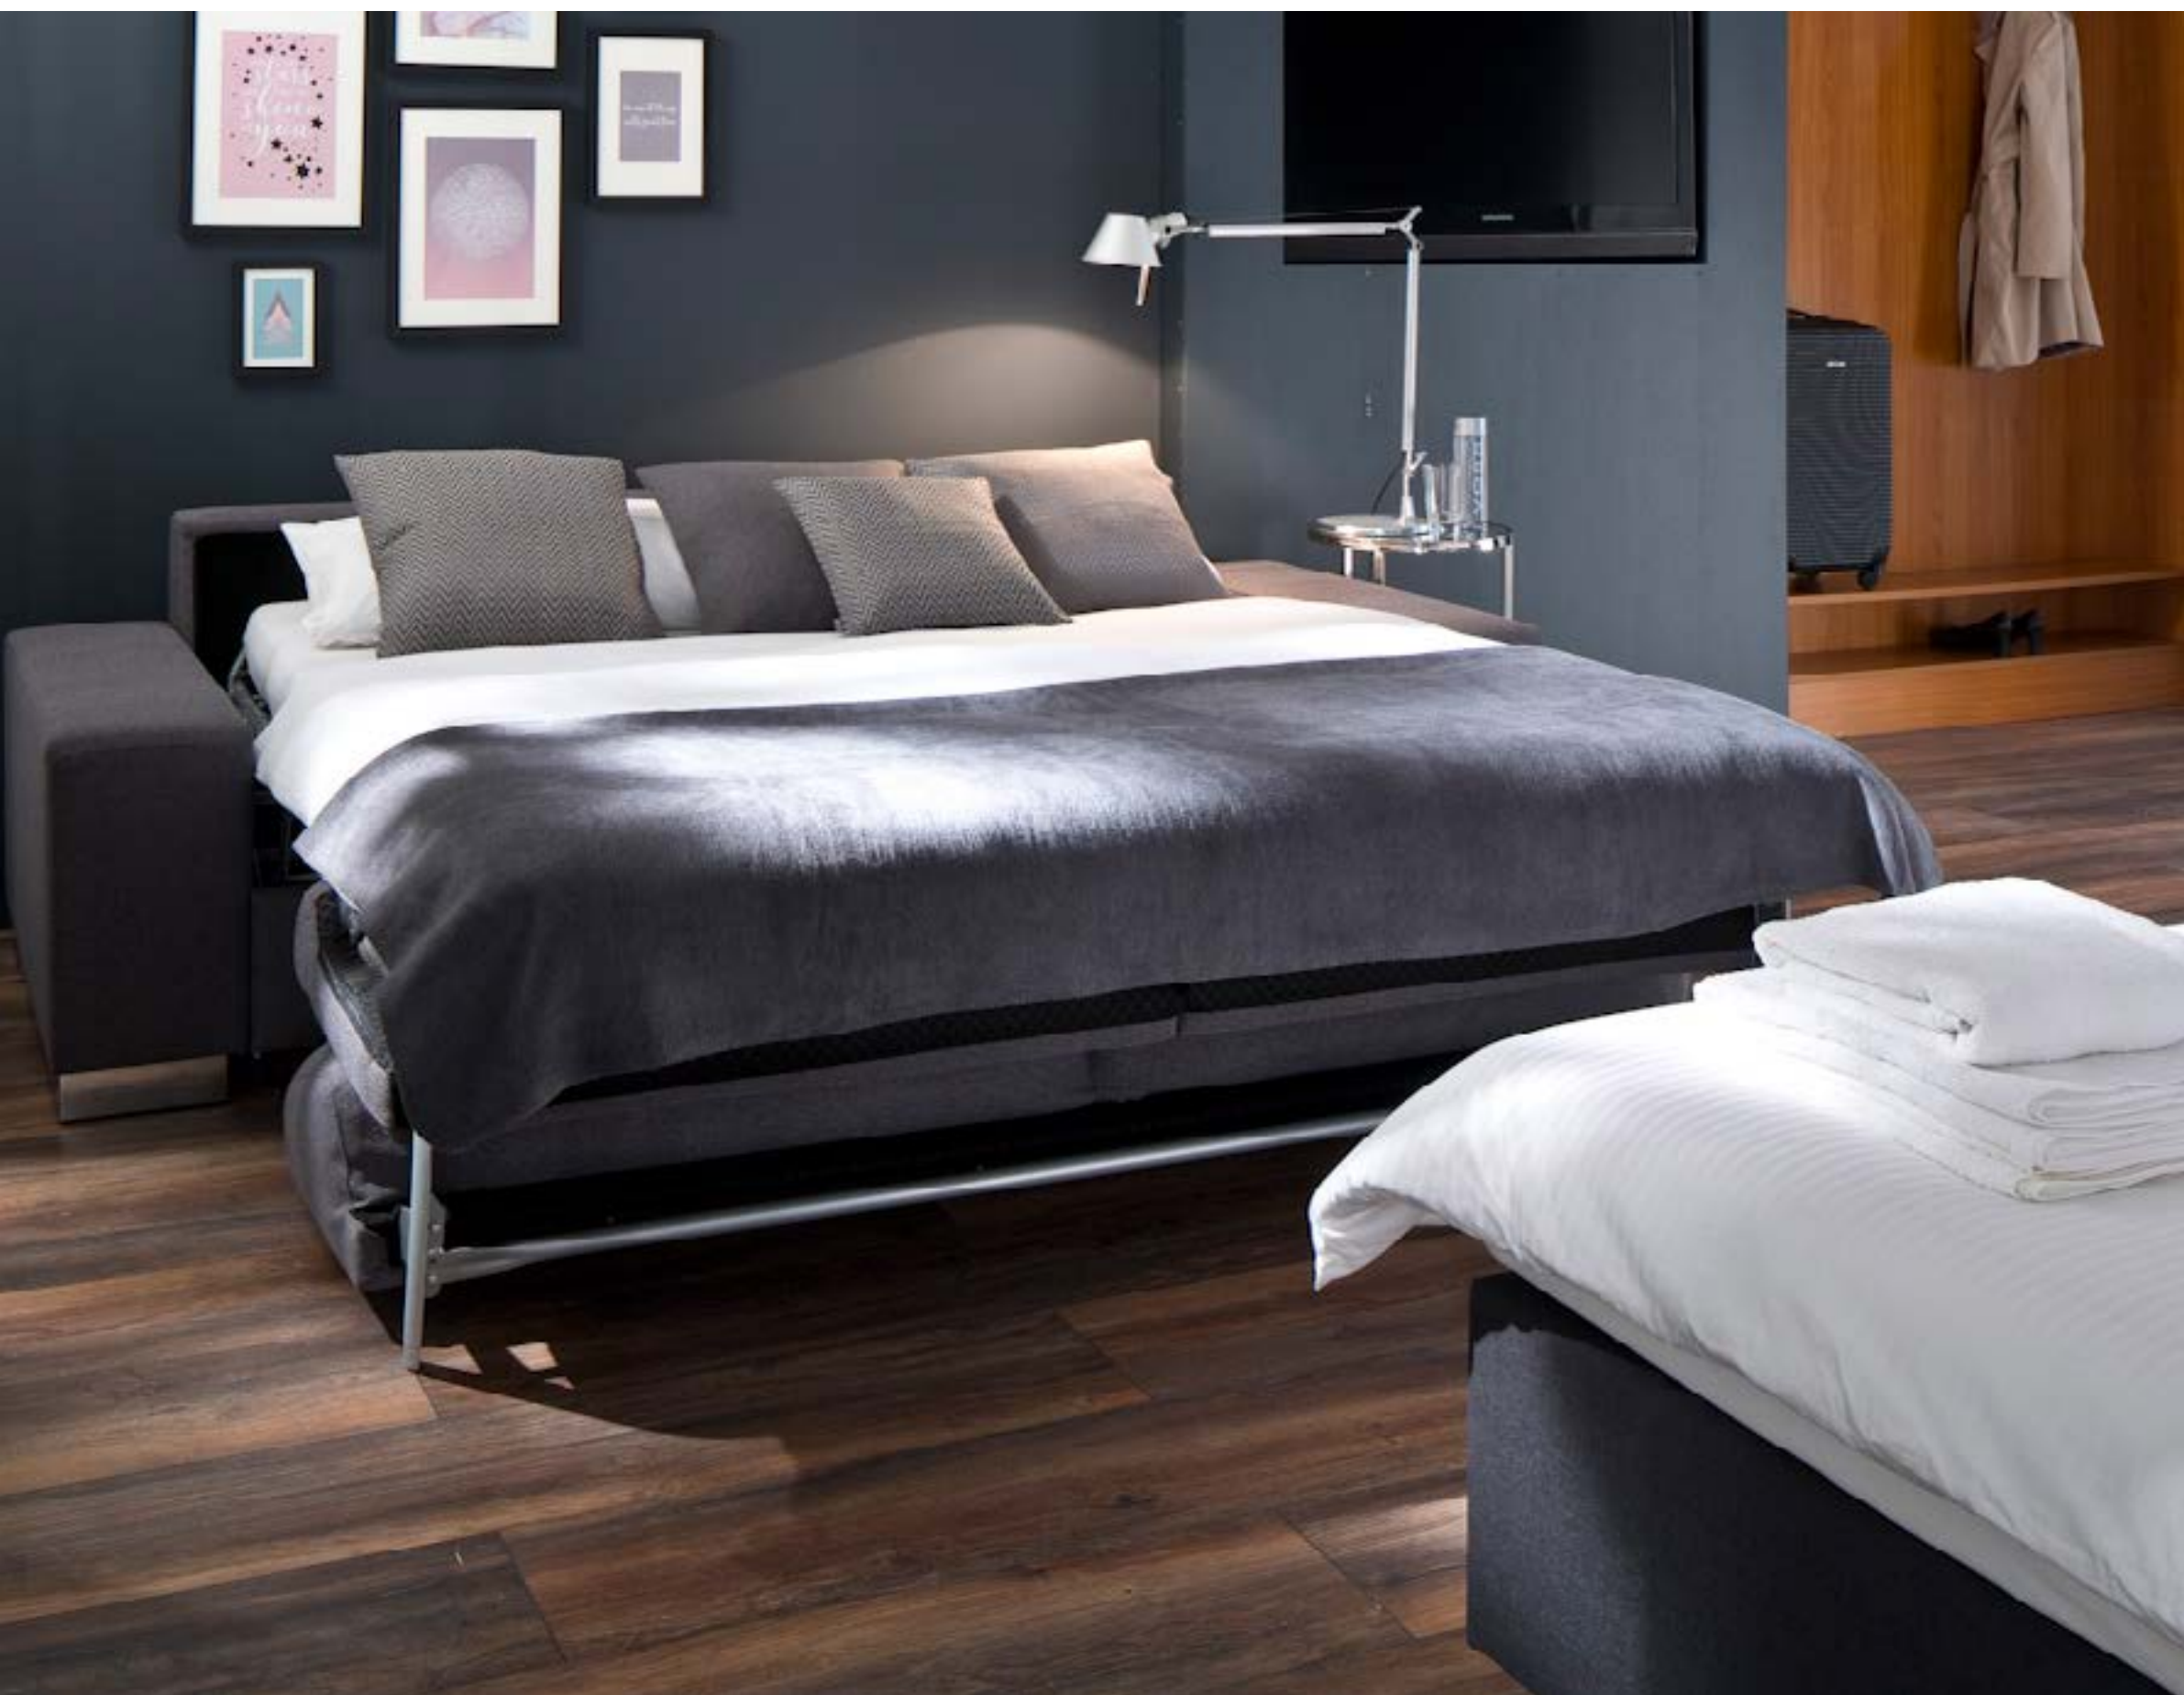

Surprisingly different

Now, you don't have to choose whether you want a low, modern back or a comfortable high-backed sofa. Model 5009 offers a two-in-one solution allowing you to unfold the back.

Timeless elegance - cubic design

A real 'convertible' for your living room. From sofa to bed to chillout zone ... it's your choice. Multiple seating designs and armrest options, a variety of legs, seating depths and seating heights and a motorized longchair function.

Simple elegance - great functionality

The 'all-rounder' for your home: comfortable yet stylish, luxurious yet practical. It's compact design makes it a super choice for smaller rooms. Available with different mattress sizes.

MONTREAL BASIC | 3ALR - 2ALR

MONTREAL LOUNGE | E1ABL - 2,5AR

One look - three options

Do you love the classic, modern look of Montreal? Now all you need are the right functions. You can choose from different available functions in the same look, by selecting the Basic, Lounge and Relax modules. A large selection of legs, armrests and covers allow you to configure your own custom sofa. You are sure to find the right model to meet your needs.

MONTREAL RELAX | 1,5AL - 1,5AL - LAR

Created for relaxing

The Relax version of the Montreal model stands out for its motorised relaxation function, that uses a touch switch to adjust the back, seat and foot sections.

TORONTO BASIC | 3ALR - 2,5ALR

Made just for you

The range of upholstery choices available for the Toronto is not for the indecisive. In addition to a large selection of armrests, legs and covers, you can choose between the Basic, Lounge and Relax models to achieve different functions with the same look.

A lounge feel for your home

Perfectly tailored to you. The back depth adjustment offered by the Lounge version allows you to reduce or increase seat depth manually or via a motorised function, depending on your desired seating position. In addition, this model offers variable headrest adjustment on every element.

TORONTO LOUNGE | LALMAXI - 2,5AR

TORONTO RELAX | 1,5ALMED - 1,5MED - E1ABR

For extra high-class relaxation

Toronto Relax offers a partially motorised relaxation function allowing the back, seat and foot to be extended using a touch switch, and the headrest to be extended to a casual relaxed position.

1080 | LAL - 2,5 - E1ABR

Isle of calm - room to relax

Gives relaxation a personality of its own - a time-out zone for both young and old. Individually versatile, generously proportioned with integrated storage space and a motorized longchair function.

CHOICE | 3ALR - 2,5ALR

Classically traditional - purist design

Classic in concept, yet versatile enough for both office and home. Three different seating options, seven armrests, seven legs, two seating heights, and a seat extension is available.

1054 | 2,5 - E1ABR

Soft elegance - flowing curves

The sweeping curves of the armrest and the lines of stitching give this suite its soft individuality. It also has a seat extension feature and a practical storage space.

HOMELIKE | 180 X 200 cm

9010 | [CLICK FOR MORE INFORMATION](#)

9026 | [CLICK FOR MORE INFORMATION](#)

9023 | [CLICK FOR MORE INFORMATION](#)

Pure comfort with a touch of chalet

The stylish stitching feature sets this suite apart, but it is its versatility that makes it an absolute winner. It offers a bed function, two seating heights, a choice of legs, a motorized longchair function and a recamiere.

1700 | 2,5AL - E1ABR

Leave nothing to be desired

Multi combines comfort with functionality! This modern furniture range offers a wide choice of comfort features – including two different back and seating heights, few choices of armrest and an individual pull-out seat extension. Regarding the type and firmness of the upholstery, here we aim to offer whatever is required.

MULTI | 3ALR - 2,5ALR

Show-stopping style - but with room for everybody

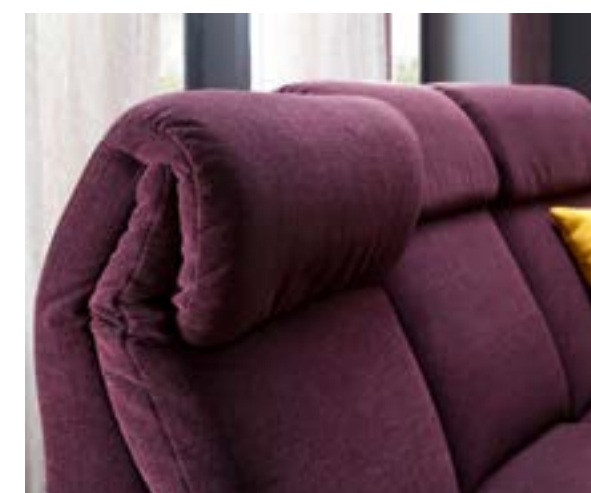

The ornamental stitching and the mould-to-fit upholstery gives this suite its individual flair. Adjustable armrests, seat extensions, leg rests, a motorized longchair bring versatility to your living room.

Still waters run deep

On the surface the design is subtle and undemanding. Its functionality tells a different story: two different seating designs, foldable armrests, a comfortable bed function with storage space and a motorized longchair.

The absolute definition of function and form

Adjustable trapeze elements can be unfolded to reveal a hidden table. Adjusted back it becomes a seat again. It comes with full relax function, manual function, reading lamp and USB socket, three legs options and side table.

3600 | 1AL - T - 1AR

Just lay back and relax

This suite will do the rest. Its foldable armrest, drop-down table element, leg and function options - manual, semi-motorized or fully motorized - mean rest and relaxation are guaranteed.

3613 | 1AL - T - 1AR 1,5ALR 1ALR

4100 | 3ALR - 2ALR - 1ALR

Would you like wood?

An exceptional look for individualists. Two seating heights, relax back rest and available in a range of wood tones.

Quality is like running a marathon. But a marathon where you never reach the finish line. It requires a commitment to perfection and a keen eye for every detail each and every day. Backed up with a quality management system that effectively minimises variance. Our production facilities work according to the most up-to-date regulations and we document everything we do.

The emissions label developed by DGM provides the consumer with information about harmful emissions and should protect them from health risks. The entire product range is classified according to these regulations. Our products fulfil the highest possible emissions grade 'A'.

The Golden M is Germany's only recognised voluntary quality seal for furniture, testing for stability, durability, and compliance with the guidelines on harmful materials and volatile compounds such as biocides.

The blue angel is the German federal government's ecolabel for the protection of the environment and personal health. It guarantees that our leather meets the highest requirements in terms of environmental, health and performance characteristics.
